

PARADE INFORMATION: (Locate the number on the map)

1. Line up for the parade will go along North Bethel Road. For the safety of all participating, we ask that you follow our arrows to your lineup number. To get to your assigned line up number, please turn off of Alabama Highway 67 onto Marco Drive, then turn right on Cave Spring Road and again on Bethel Road. Your number will be along the right side of Bethel Road on white stakes.
2. Floats will line up along Robinson Street. The Priceville Church of Christ will allow us to use their parking lot for all float participants to load their float.

The parade will end at the Morgan County Veterans Memorial. There are several parking lots adjacent to Veterans Park for you to park and walk to the ceremony.
